HR Summit

6th - 7th May 2010

A certified eco resort, where leisure meets nature

Siloso Beach Resort is pleased and honored to play a part in the HR Summit, organized by Key Media, in early May 2010.

As an Official Sponsor, Siloso Beach Resort had the great opportunity to meet and catch up with our repeat seminar/event guests and to introduce its various resort amenities and to spread the word on its eco efforts too!

Thank you to all who have attended.
