VISION

The Resort aims to set the environmental benchmark to allow our guests and the community to experience a quality Eco friendly environment that will encourage them to adopt environmental initiatives so that we can all live in a sustainable world.

Saying “I do” is one of life's most important and special moments. Treating the occasion's finest moments to an unique atmosphere and experience is ever so important.

Here at Siloso Beach Resort with various venues of themes to choose from, you will find the selections uniquely their own.

Take your vows on the highest viewable point across the South China Sea from our roof terrace or by our spring water 95m landscape pool towered by a 9m tall constructed waterfall, Or hold your special occasion in a private villa surrounded by lush foliage with reception on a open air verandah. And so much more.

Whatever your choice of backdrop we will be delighted to take part in making your special event a memorable experience.

With the resort's close proximity to the beach and its eco theme, a vast array of selections awaits you. Whether you prefer to hold your special day in a cosy and private ambience or in an outdoor settings by our landscape spring water pool or overlooking the South China Sea from our roof terrace, we have the theme for you. Contact our events planners for more details and to plan for your special day.
